

Negomedia Terms

By joining Negomedia you are voluntarily and expressly accepting these Terms and any changes or amendments we may do to them in the future.

1. Service and Benefits.

As a Negomedia Member you are entitled to use our services and enjoy benefits as published in the Negomedia website, in our email communications or by any other official communication. We may add services and benefits in the future and publish them by those means.

2. Membership and other services fees.

- 2.1 Negomedia does not offer any kind of Free Membership. All members must pay their service fee.
- 2.2 To enjoy your full benefits in Negomedia it is a requirement to setup a Subscription with any of the pay processors we use or have a written agreement with us to pay otherwise.
- 2.3 To enjoy your full benefits in Negomedia it is a requirement to be up to date with payments.
- 2.4 Current fees and payment conditions will be as published in the Negomedia website and may change without previous notice.
- 2.5 Other services besides Membership will have their own fees, terms and conditions as published in the Negomedia website.

3. Commissions.

- 3.1 You earn a 25% commission on membership payments for each and every direct referral (it does not matter where in the structure the referral is positioned).
- 3.2 You earn a 12.5% commission on membership payments for each and every member Admin assigns to you as referral. Admin assigns every customer that comes in from our advertising efforts.
- 3.3 You earn a variety of percentages on membership payments for each and every referral your own referrals and their referrals have (either direct or assigned) up to a limited number of levels as published in the Negomedia website.
- 3.4 You earn a variety of percentages on your direct referral's purchases of added value services as published in the Negomedia website or other official communications.
- 3.5 You earn a variety of percentages on your added value services sales to any person, Negomedia member or not, as published in the Negomedia website or other official communications.

3.6 Commissions are paid ONLY to those members who are paying for their own service on time.

- Please note that if you have missed your payment you will not receive any commissions for the previous month and those commissions will be lost (no retroactive commission payment when you pay your fee).
- Please note that if you miss two consecutive payments your account will be Suspended and you will lose your position in the structure and all downline that has come from spillover or Admin referrals. You will only keep your direct referrals. All commissions you may have will be lost (no retroactive commissions payment when you pay your fee).
- Please note that if you miss three consecutive payments your account will be terminated and you will lose all Negomedia benefits and you will get no commissions or any other kind of payment.
- Please note that we do not keep the money of lost commissions. We will pay that money to other members at our sole discretion.

3.5 Commissions are paid ONLY to those members who have their account up to date. An up to date account needs to comply with the following requisites:

- Have a Subscription setup with Alertpay or PayPal for the monthly fee, have a written agreement with us to pay manually by Moneybookers or have a written agreement with us to pay in any other way (wire transfer, money order, or similar).
- Be up to date with payments.
- In case the Member has won one of the Free 30 day trials we randomly offer, have a Subscription setup with Alertpay or PayPal accordingly (those subscriptions take into account the 30 day trial and do not bill your account until the trial period has expired).

Please make sure that you have your account up to date. You do not qualify for commissions if these requisites are not fully covered. We are not liable for commissions lost due to your failure to comply.

3.6 There is not any guarantee of earnings, either express or implied. Your earnings will be a product of your own effort and talent. We only provide for the tools and resources we consider appropriate for that purpose. There is no money back guarantee of any kind. Any fee paid to Negomedia will never be returned for any reason.

3.7 Only paying referrals generate commissions. This means that we only pay commissions on paid accounts. If a customer in your structure does not pay, commission will not be paid to you for that customer (all other valid commissions will be paid). Commissions are a fraction of the customer's payment so Negomedia will pay commissions only on real income.

3.8 Commissions will be paid during the first fifteen days of each month and will cover those operations generated during the previous month.

4. Membership suspension and cancel.

- 4.1 You may cancel your Negomedia membership at any time.
- 4.2 When you cancel your Negomedia membership you are voluntarily and expressly giving up on any benefits or rights you may have with Negomedia. This includes but is not limited to the usage of the website and tools, the downline, your position in the structure, services, any commissions present or future you may have.
- 4.3 When you cancel your account we are not liable in any way. We no longer have any obligations with you.
- 4.4 Canceling your pay processor subscription does not mean you cancel your Negomedia membership. To cancel your Negomedia membership you must send a written request to the Negomedia Administration.
- 4.5 Canceling your Neogmedia membership does not mean your pay processor subscription is canceled. It is your sole responsibility to cancel your pay processor subscription. If the pay processor bills you and we get paid we will not refund.
